### 2011 Achievements

WDSC swimmers have achieved both personal and team success with more county, regional and national times than in the previous year. We look forward to further growth of the club and success of our swimmers in 2012.

### Communication

We aim to increase communication with parents and swimmers in 2012 with the launch of our new website early next year. We welcome your ideas for improvement.

**Coaches succession planning** We recognise the importance of ensuring continuity in the training programs for our swimmers and will work together with coaches to plan and manage changes in 2012.

### Training Attendance

Several swimmers are regularly missing training sessions, with average in some squads as below 50% of sessions!

**Parents** – please encourage and support your swimmers .

**Swimmers** – Your commitment will make the difference to your performance.

### Club Presentation Evening

This will be held on Friday 27<sup>th</sup> January 2012 at Adams Park so hold the date! More details to come next year.

Wishing all swimmers, coaches and parents a Happy Christmas and a successful 2012!
