### February Open Meet

We have 54 clubs and 428 swimmers participating, thank you to all who have volunteered to help

### County Entries

We have 74 swimmers who have achieved county times, (compared to 58 for 2011 Counties). Good news is that ALL our swimmers entries have been accepted for the County Championships.

### Coaches Update

Great performance by the swimmers at the Maxwell meet with >90% achieving PBs and many new county/regional times. Junior team performed well at TVJL despite the snow!

### Training Attendance

Data for P1/P2 swimmers attendance will be posted on the Balcony Notice Board – note both performance and training will be considered for selection of swimmers for the October overseas training camp (location options currently being investigated – more information coming soon).
